Dear Counselor,

Naomi's Program of Excellence (NPE), Inc., is a not-for-profit 501 (c) 3 organization. It was founded the Summer of 2002 in Spring Valley, New York by Warren Sr. and Jacqueline Cherry. This scholarship is in honor of their daughter, Naomi. Since that time, NPE has fostered child-centered programming that encourages children of all ages to strive for academic, social and cultural excellence. Our goal is to uplift children through family and friends.

We will offer scholarships to Rockland County residents who are graduating students of African American descent that exemplify scholastic excellence, high ideals, and plan to attend an accredited college, university or higher education institute, in the fall following their graduation year. The Naomi Cherry Scholarship is awarded to a student expressing resiliency, a clear purpose and direction for their future and has significantly contributed to their community. General scholarships with no career designation are also available.

Enclosed is the scholarship application and list of requirements. Please distribute to students that meet the above criteria as well as the criteria specified in the application. Feel free to make as many additional copies as needed. If you have any questions, please email Ms. Lindsay Gregorio at LindsaynGregorio@gmail.com with the subject reference "NPE 2017 Scholarship Application".

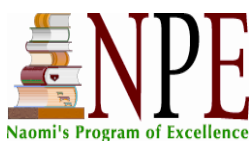

Thank you,

Lindsay Gregorio
